## FUN Family GAMES

### "Stick Together" Relay

**What you will need:**

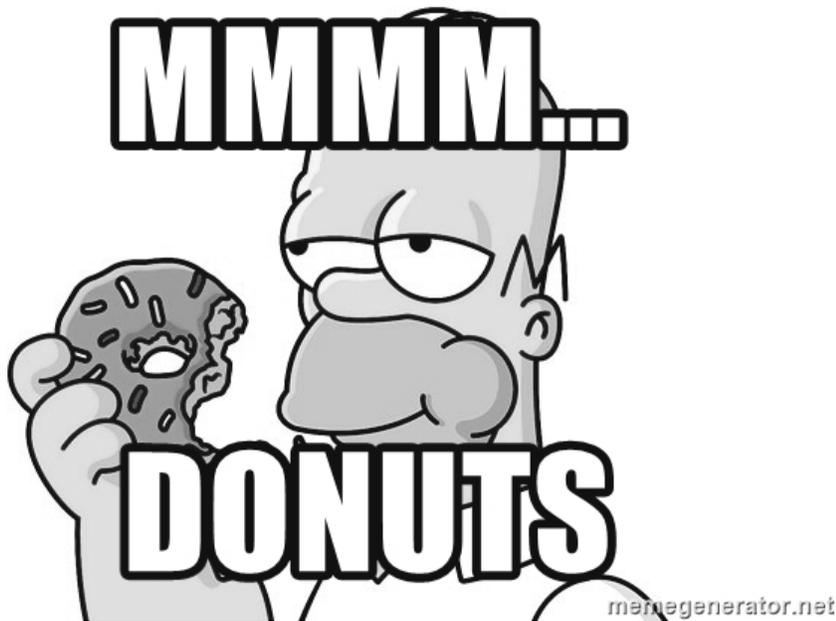

- Balloons
- Painters Tape

**Preparation:**

Before the game blow up balloons and mark off a start line with painter's tape at one end of the room. Place a chair or chairs at the other end of the room.

**How to Play:**

1. Divide into teams of two.
2. Give each person a balloon.
3. Try to get the balloon down to the other end of the room around a chair and back to the start line, without using hands, arms, mouths, or feet except to pick up and place the balloon between them at the beginning of the game.
4. They can place the balloon anywhere between them, but they must do it as a team and remember to "Stick Together" just like Naomi and Ruth did in the Bible lesson. Children may want to place the balloon between their arms, between their shoulders, etc.
5. If the balloon falls to the floor on their journey, one must pick it up, and return to the start line before continuing the race.

Donuts will be February 13th after church. Come have a donut and fellowship!

**All donations will go to  
Luther League & the  
Minneapolis 2020  
ELCA Gathering.**

It will be a free will donation.

### Sorting Grain

Mix cotton balls and macaroni noodles together and place half the mixture in one bowl and the other half in another bowl. Divide kids into two teams. Pick two children to be “Sticky Friends”. Place masking tape or duct tape around the “Sticky Friends”, sticky side out. Stick the end of the tape to a child then bend it back so the sticky side is out. Bring the tape all the way around the child and back over to the beginning of the tape so that the tape goes all the way around the child. Designate one “Sticky Friend” to be noodles and the other cotton.

The teams must sort and stick the cotton balls and noodles in their bowls to the correct “Sticky Friend”. Each team member picks one cotton ball or noodle from the bowl, runs to the correct “Sticky Friend”, sticks it to the tape and then run back to the starting line. The first team to sort all their noodles and cotton balls wins. Talk about the lesson and how Ruth had to glean the grain and then separate the chaff from the seed in order to make flour.

Lutefisk is February 20th and we will need *5 youth and one parent volunteer* to help that day from around 10:30 to 2:30pm. Please contact Michelle if you can help!
